

FOR CHARTER BROKERS

More trips. Fewer phone calls.

Brokers win on speed and service. Flyn gathers what the client needs, requests availability and quotes from operators, and keeps your client informed from request to wheels-down.

FREE FOR EVERY BROKER

REQUESTS

Post once, reach operators

Send a trip request to the marketplace and collect bids from Part 135 operators.

QUOTING

Client-ready quotes

Compare bids and send your client a clean quote with your name on it.

EMPTY LEGS

Spot the deals

Browse empty legs and availability to match clients with aircraft already moving.

TRIPS

Every client trip in one view

Status, documents and changes for every trip you've sold, in one place.

WHAT FLYN DOES FOR YOUR DESK

- Takes the client's request by text, WhatsApp or email and asks the follow-up questions.
- Requests availability and quotes from operators so your team doesn't have to.
- Collects passenger details and documents, and checks nothing is missing.
- Keeps your client updated on trip status.

TOOLS

Free

Quoting, trip management and the marketplace, for every operator and broker, with or without Flyn.

CHARTER PAYMENTS

Never touched

GoFlight never touches the charter payment. You contract with and collect from your customer directly.

FLYN

\$300 / month

One plan per company, not per seat. Starts with a 30-day free trial; design partners get 90 days.

See Flyn work a live trip.

Book a video demo any weekday at goflight.ai/demo. Bring a real trip and watch Flyn work it.
